**Re: Notice of Administrative Leave and Investigation**

Dear Mr. Trout:

This correspondence is to notify you that pursuant to ORC 124.388 you are being placed on Administrative Leave effective today, June 4, 2019, and are the subject of an investigation into allegations of misconduct.

This interview is part of an official investigation and failure to answer questions completely and accurately may lead to disciplinary action, up to and including termination. You are not to discuss the investigation with anyone except an authorized representative until you have been notified of a final outcome of this investigation.

Your rights and responsibilities are outlined further in detail in the Attorney General's Office Policies and Procedures.

Sincerely,

Meredith L. Rockwell

#### COMMENTS

Special Agent Supervisor (SAS) Michael Trout has shown substantial progress during this reporting period while handling very difficult unit assignments in the areas of homicide and officer involved shooting investigations. SAS Trout understands the basics of supervision but acknowledges the steep learning curve this position encompasses. SAS Trout also seeks the opinions and advice of other managers in an effort to improve his understanding and mastery of the job. Most importantly, SAS Trout has self identified his own deficiencies in supervision and sought ways to improve in these areas.

# URBANA POLICE DIVISION

April 11, 2012

Thomas Strickrath, Superintendant  
Ohio Bureau of Criminal Investigations  
1560 State Route 56 NW  
London, Ohio 45011-2993

Dear Superintendant Strickrath,

On March 30, 2012, the Urbana Police Division began a homicide investigation involving the death and dismemberment of a young Urbana woman, Jessica Rae Sacco. I first requested the assistance of BCI's Crime Scene Unit to help in processing our scene, and S.A. Bryan White made contact with me and confirmed he and others were enroute to help my agency at our scene. The crime scene was processed thoroughly for almost ten hours. Within a few hours of the original request for the Crime Scene Unit, S.A. Supervisor Ben Suver contacted me and offered the services of BCI's Major Crimes Unit, to help us in our homicide investigation. It was an offer I couldn't turn down.

Since the initial call for help, several BCI agents have provided my agency with invaluable crime scene, logistical, technical and investigative services, that we don't have at the ready in a case of this magnitude. This case has taken us to multiple jurisdictions where those responsible were located, interviewed and arrested and evidence was located and collected, including the missing body parts of Jessica. Although there is still much left to do, I'm certain that the work of these agents has helped my agency to solidify the case we have to date. I'm also sure that this work will go a long way into assuring the strongest case we can produce will be proven with a successful criminal prosecution.

The following agents should be commended for the professional manner and valuable investigative services they've provided the Urbana Police Division in the Jessica Rae Sacco homicide.

- Special Agent Vicki Angelopoulos
- Special Agent Todd Brown
- Criminal Intelligence Analyst Jennifer Dillion
- Special Agent Joshua C. Durst
- Special Agent Todd Fortner
- Special Agent Daryl Henderson
- Special Agent Brandon J. Hoyt
- Special Agent Stephanie A. Russell
- Special Agent Supervisor Benjamin Suver
- Special Agent Michael D. Trout
- Special Agent J. Bryan White

*Thanks to all of our  
BCI professionals who  
assisted on this case.  
Great work, Team!*

*Tom S 4/19*

There are probably many others, who have played a role behind the scenes in helping the Urbana Police Division and to those I also give thanks. Please know how much I appreciate the Ohio BCI and its agents for being there for my agency and our victim since March 30, 2012.

Respectfully,

Re: *State v. Jerry Hallowell* - Athens County Common Pleas Court

Dear Superintendent Stickrath:

We are writing express our thanks for the effort and time that BCI, its agents, analysts and employees put into the successful prosecution of former Athens County Sheriff's Deputy, Jerry Hallowell.

As you may know, Hallowell used his position as director of the Athens County Drug task force to misuse and abuse his authority. In the process, Hallowell committed numerous crimes completely driving through the ethical and moral boundaries that exist for law enforcement officers.

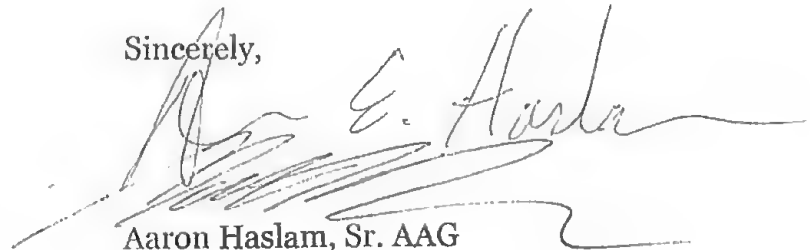

After BCI was requested by the local prosecutor, Agent Mike Trout and Supervising Agent Dave Myer organized and executed an outstanding sting operation. Because of their precise and swift efforts, Hallowell was arrested quickly avoiding any additional harm to the public or victim.

A subsequent investigation lead by SA Trout but involving every single agent in SE SIU, agents from Crime Scene Investigations, agents from SE Narcotics, Computer Crimes, Analysts and Lab personnel assisted in uncovering other crimes, involving other victims and other highly unethical behavior by Hallowell.

The whole of BCI's resources were utilized to build an excellent case against Hallowell. Through Agent Trout and the rest of your agency's efforts, Hallowell was convicted of numerous felonies and a misdemeanor, which removed him from public office. Hallowell will never again be a certified peace officer in Ohio.

Without the efforts of Agent Trout and BCI, the prosecution of Hallowell would not have been successful. Again thank you for BCI's efforts.

Sincerely,

## UNIT AWARD

### NOMINATION FORM

The Unit Award recognizes a Section within each Division of BCI that has demonstrated extraordinary actions in the performance of their duties.

I/we nominate SE Major Crimes/Special Investigations Unit to receive the Ohio Bureau of Criminal Identification & Investigation's Unit Award for the following reasons:

BCI's SE Special Investigations Unit won the 2009 Unit Award for various reasons including overall productivity in servicing the multitude of case requests from the law enforcement agencies & prosecutors in its 23-county district. In 2010, with fewer agents and fewer available "man hours", this Unit has again seen its case requests increase 7% over the past twelve months.

This Unit has consistently, professionally, and diligently worked felony criminal cases of all levels of complexity and social/political consequence. SE SIU continued to resolve homicides, sexual assaults, complex theft/financial investigations, public corruption cases, federal/ FBI investigations, work with the U.S. Marshal's Service in locating & arresting more than one thousand five hundred (1,500) felons/fugitives annually, completed thousands of pages of transcription, and conducted at least half a dozen important officer-involved-shootings and/or inmate death investigations in 2010.

SE SIU has worked several high-profile cases, stepped-up to the unique challenges presented, and generated successful investigative efforts w/ numerous Grand Jury presentments, Indictments & Convictions. This Unit has also assisted many others around the State, including a prescription drug/pill-factory under-cover role, assistance with Marijuana Eradication all summer, and two agents who rescued two female crash victims trapped in their burning automobiles.

Highlight cases for 2010 included the extremely hard-fought (and eventually won) re-trial of Paula Rizer in the murder of her husband Kenneth Rizer, Sr. near Pomeroy, Ohio. BCI was clearly the "star" of this investigation and trial, and as such was under tremendous scrutiny and often-inaccurate portrayal by the Defense team that included defense "experts" from Alaska, Chicago, and Dr. Michael Baden of New York state fame.

Further highlight cases involved Officer-Involved-Shootings in Whitehall (fatality), Ross County, Scioto County (83 yr old male victim/fatality), Lawrence County (drug suspect/victim accidentally shot in the face), and others. Agents worked several questioned death investigations during the year, and a high profile sexual battery case involving a Sheriff's Lieutenant having sexual relations with his Confidential Informant.

Although they have all made significant individual contributions in 2010, it is AS a UNIT that this SE SIU squad has risen above the rest, and is certainly deserving of retaining this BCI Unit Award for another year. Thank You.

Classification Title: ~~BCI Special Agent~~

Classification: 26131AG

PERFORMANCE DIMENSION	PERFORMANCE EXPECTED
Quantity	Try to maintain the Quantity of work produced, within the current limits of time (Furloughs), case load, administrative duties, and opportunity. As we continue to perhaps handle more cases than any SIU squad in the state, Requests for Assistance (and therefore Expectations) will remain higher than ever.
Quality	Pay Attention to Detail! Spend some "Quality Time" with your Casa Files and Administrative paperwork. Although improving your Investigative knowledge base/skills will be somewhat difficult w/ the furloughs and freezes on training \$\$, you can work on the overall Quality of work you submit. In yet another very difficult year of "doing more with less", the MORE should be Quality not Quantity. Improve your written communications (reports) and overall work product. Take more "ownership" of your own case files.
Timeliness	Continue to STRIVE for perfection in the area of "timeliness" - and you will surely see Progress, and thus do very well. Timely IR's, Prosecutor Summaries, other case documentation, and the sometimes important Administrative responsibilities...are the real key to success in this job. When you get too far behind, it is impossible to prosper...
Team Effort/Cooperation	Congratulations on your BCI "Unit of the Year Award" in 2009. Congratulations on your other Unit and individual Awards in 2009-2010. Your strongest efforts to Cooperate and contribute to the Team Effort have paid off. Stick with..."Do something for the Good of the Order", and I will again be repeatedly commending you for your self-sacrificing efforts!
Directing/Coordinating Behavior of Others	Be a leader by setting good examples for all others you are working with. You can lead (Direct/Coordinate the Behavior of Others) more effectively by example & work ethic than by title or mouth. Volunteer for a week or two of Acting SAS during the year, if you are so inclined.
Dealing with Demanding Situations	We remain here to "work and solve criminal cases." We work for the Victims and their Families, Law Enforcement, and Prosecutors. That remains demanding enough, and you are doing very well in those situations. Try to stay away from the unnatural "trying/demanding situations" that tend to occur in and around the office. In this job/agency, the political/personal conflicts are not going away, so they are best avoided whenever possible.
Adhering to Procedure	Stay up-to-date on the ever-changing operational policies and procedures. With your moral compass intact, you will not have to worry much about the primarily ethical policy/procedures. If you have questions about the others, simply ask.
Communicating	Communicate in a candid and respectful way, even to those who it might be difficult to respect. Improve your written communications (clear, concise, accurate and timely reports of all nature). If you hear rumors, or have questions/concerns, ASK for explanation(s) rather than making or letting matters get worse. Communicate, articulate, verbalize, whatever you want to call it. And, take ownership of your case files, as THEY are communicating/speaking volumes ABOUT YOU.

## UNIT AWARD

*Michael Trout*

### NOMINATION FORM

The Unit Award recognizes a Section within each Division of BCI that has demonstrated extraordinary actions in the performance of their duties.

I/we nominate SE Major Crimes/Special Investigations Unit to receive the Ohio Bureau of Criminal Identification & Investigation's Unit Award for the following reasons:

BCI's SE Special Investigations Unit handles ~200 case requests a year from the law enforcement agencies & prosecutors in its huge 23-county district. Unit staffing is down 22%, requests are up 21+%, yet this Unit has consistently, professionally, diligently, & honorably worked felony criminal cases of all levels of complexity and social/political consequence. They are resolving homicides, sexual assaults, complex theft/financial investigations, officer-involved-shootings, jail deaths, public corruption cases, federal/ FBI investigations & "wires", and work with the U.S. Marshal's Service in locating & arresting more than one thousand (1,000) felony fugitives a year. SE SIU has worked several high-profile cases, stepped-up to the unique challenges presented, and generated successful investigative efforts w/ numerous Indictments & Convictions. For example:

> 83-yr-old Doris Jackson was bound, strangled & beaten to death in her home in Tupper's Plains. SIU investigation led to Agg Murder/Kidnapping/Robbery & other felony convictions/guilty pleas of Lee Ganes & Charles Williams, now serving prison terms of 6+ years, and 30-yrs-to-Life.

> 65-yr-old Winfield Hardiman was robbed, beaten & stomped to death in his yard in Carpenter, Ohio. SIU's rapid investigation led to the Murder convictions/guilty pleas of Trinity Whitcraft & girlfriend Nicole LeFleur, as well as two other accomplices. All four defendants are presently serving lengthy prison terms, including 10+ years for LeFleur and 15-yrs-to-Life for Whitcraft.

> The Chiefs of Police in Martin's Ferry & Bridgeport, Ohio are accused of stealing/trying to sell personal property of the surrogate mother for Sarah Jessica Parker to New York photographers. Criminal trials for each Chief of Police are scheduled for November 2009 & January 2010.

> Kenneth Rizer Sr. was shot five (5) times by his wife Paula in their living room in Albany, Ohio. After a lengthy & contentious 6-day trial resulted in a deadlocked Meigs County jury (11-1 in favor of a guilty verdict), Paula Rizer's 2nd Murder trial has been scheduled for January 2010.

> Agents investigated the Belmont Co. homicide of John Roberts, where his nephew "John-John" murdered him, disposing of the body inside a 55 gallon drum. John-John Roberts agreed to plead Guilty to Murder, but facing a lengthy prison sentence of more than 20 years, chose to hang himself with a bed sheet inside his jail cell just hours before his final court appearance.

Although they have all made significant individual contributions in 2009, it is AS a UNIT that this SE SIU squad has risen above the rest, and is certainly deserving of this Unit Award.

# **UNIT AWARD**

## **NOMINATION FORM**

*The Unit Award recognizes a Section within each Division of BCI that has demonstrated extraordinary actions in the performance of their duties.*

*I/we nominate SE Special Investigations Unit to receive the Ohio Bureau of*

*Criminal Identification & Investigation's Unit Award for the following reasons:*

The BCI Investigations Division Southeast (SE) Major Crimes/Special Investigations Unit has truly demonstrated extraordinary actions in the performance of their duties, not only in 2008 but for the past several years as well. This Unit receives and investigates nearly two hundred (200) legitimate case requests and Requests for Assistance annually – not only from the many law enforcement agencies and Prosecutors in its expansive twenty-three (23) county district, but from other districts in Ohio, and the Ohio Attorney General's Columbus headquarters/administrative staff.

The SE Special Investigations Unit has consistently, professionally, diligently, and honorably worked - and MADE - cases of all levels of complexity and social/political consequence. They are assigned, and are resolving homicides, sexual assaults, complex theft/financial investigations, officer-involved-shootings, federal/FBI "wires" and investigations, dignitary protection details, public corruption cases of all nature, and work with the U.S. Marshal's in locating and apprehending one thousand (1,000) felony fugitives a year.

These agents have not only "survived" the rigors of working directly with all AGO/Columbus sections in some of the most high-profile cases statewide, they have time and time again stepped-up to the unique challenges presented, and generated numerous successful investigative efforts and resolutions. They have produced one Indictment/Conviction after another, and simply set a standard for professional, dedicated, and honorable investigative results that would be difficult to expect from anyone. (I could name the cases here, but we would go on for a while...)

Although they have all had/made significant individual contributions in 2008, it is as A UNIT that this SE SIU squad has risen above the rest, and is certainly deserving of this Award.

Thank You for your consideration.

PERFORMANCE DIMENSION	PERFORMANCE EXPECTED
Quantity	Maintain or improve the Quantity of work produced, within the current limits of time, case load, administrative duties, and opportunity. We continue to handle more cases than any SIU squad in the state. Requests for Assistance, and therefore Expectations remain high.
Quality	Continue improving your investigative knowledge base, daily attitude (even in yet another difficult year of "doing more with less"), your written communications (reports), and overall work product. All agents are again strongly encouraged to take more "ownership" of their case files to avoid future issues/problems.
Timeliness	Strive for perfection in the area of "timeliness" - as nearly impossible as that might be in these difficult positions, and you will do well. Timely IR's, Prosecutor Summaries, other case documentation, & the occasionally important Administrative responsibilities...are the real key to success in this job.

P.O. Box 365  
London, OH 43140

Dear David,

Our department recently requested assistance from the BCI Special Investigative Unit to investigate two separate cases. Agent Mike Trout was assigned to conduct those investigations.

In the first case, Agent Trout investigated a sexual abuse allegation that a student made against a teacher. As you know, this type of investigation is extremely sensitive. Since our department had a conflict in this investigation, it is good to have someone so professional and experienced handling the case.

In the second, a suspect in a local theft case was identified through a CODIS hit. The same suspect was also identified in similar cases in more than 15 other Ohio jurisdictions. Although this makes for a complicated case, Agent Trout made it appear effortless.

Please convey my appreciation to Agent Trout for his efforts in both these cases and his continued support of our agency.

Yours truly,

Captain W. R. LePage #25

PERFORMANCE DIMENSION	PERFORMANCE EXPECTED
Quantity	Please maintain or improve Quantity of work produced w/in the limits of time, case load, administrative duties, and opportunity. We handle more cases than any SIU squad in the state -- expectations are high.
Quality	Keep improving your knowledge base (training/experience), attitude, written communications (reports), and overall work product. All agents must take more "ownership" of their case files to avoid future issues/problems.
Timeliness	In this demanding position, perfect "timeliness" remains difficult, but please continue or improve your strong efforts in this area. Timely IR's, Prosecutor Summaries, other case documentation, and occasional important Administrative responsibilities are the real key to success in this job. Dealing with Demanding Situations	With the daily demands of this position, please keep up the good work in the field, and avoid the political/personel conflicts in the office. Please continue to make an extra effort to maintain a positive attitude during these trying times, ala "I complained because i had no shoes, until I met a man who had no feet"...
Adhering to Procedure	Please continue your most diligent efforts in this area, and stay abreast of the various changes in policy and procedure as required. You are doing an excellent job adhering to Procedure, but it only takes one mis-step to ruin one's career in law enforcement.
Communicating	We can all strive to be dignified, professional, polite & courteous, yet direct and succinct in our written and verbal communications. All can improve their written "finished product" in terms of investigative reports and summaries. As someone famous once said, "Speak softly, and carry a big stick." Your "stick" is your Knowledge, your Reports, your Experience, and your Integrity...and equally Important is HOW you present yourself to others. RE: Assistance with burglary investigations

Dear Larry,

I wanted to take a minute to extend my gratitude for your assistance with the burglary cases that you assisted with last week. As you are aware there were 5 search warrants executed, multiple crime scenes processed which resulted in over 20 felony charges being filed spanning to a four county area. I am aware that there were over 27 consecutive hours devoted to this Criminal Organized Crime spree that netted the perpetrators.

I believe your contribution to this effort reflects your dedication to your profession. I know that Sgt. Flickenger found your assistance and expertise invaluable. Again, thank you.

Sincerely,

The following should be completed and returned to the Human Resources Section within two weeks from date of receipt. The Employee Policies and Procedures Manual Receipt will be kept in your personnel file.

**EMPLOYEE POLICIES AND PROCEDURES MANUAL RECEIPT**

I have received a copy of the Policies & Procedures Manual.

I understand that all employees are expected to follow the policies, procedures, rules and guidelines of the Office of the Attorney General. I further understand that from time to time, it may be necessary to amend or change the policies, procedures, rules or guidelines contained in this Manual. I understand that it is my responsibility to ask my Section Chief or the Director of Human Resources if I have any questions concerning the policies, procedures, rules, or guidelines of the Office of the Attorney General.

Your earnings from this job are not covered under Social Security. When you retire, or if you become disabled, you may receive a pension based on earnings from this job. If you do, and you are also entitled to a benefit from Social Security based on either your own work or the work of your husband or wife, or former husband or wife, your pension may affect the amount of the Social Security benefit you receive. Your Medicare benefits, however, will not be affected. Under the Social Security law, there are two ways your Social Security benefit amount may be affected.

**Windfall Elimination Provision**

Under the Windfall Elimination Provision, your Social Security retirement or disability benefit is figured using a modified formula when you are also entitled to a pension from a job where you did not pay Social Security tax. As a result, you will receive a lower Social Security benefit than if you were not entitled to a pension from this job. For example, if you are age 62 in 2005, the maximum monthly reduction in your Social Security benefit as a result of this provision is \$313.50. This amount is updated annually. This provision reduces, but does not totally eliminate, your Social Security benefit. For additional information, please refer to the Social Security publication, "Windfall Elimination Provision."

**Government Pension Offset Provision**

Under the Government Pension Offset Provision, any Social Security spouse or widow(er) benefit to which you become entitled will be offset if you also receive a Federal, State or local government pension based on work where you did not pay Social Security tax. The offset reduces the amount of your Social Security spouse or widow(er) benefit by two-thirds of the amount of your pension.

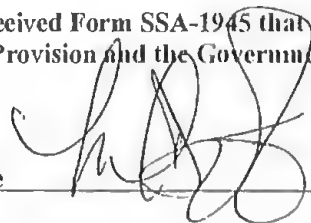

For example, if you get a monthly pension of \$600 based on earnings that are not covered under Social Security, two-thirds of that amount, \$400, is used to offset your Social Security spouse or widow(er) benefit. If you are eligible for a \$500 widow(er) benefit, you will receive \$100 per month from Social Security,  $\$500 - \$400 = \$100$ . Even if your pension is high enough to totally offset your spouse or widow(er) Social Security benefit, you are still eligible for Medicare at age 65. For additional information, please refer to the Social Security publication, "Government Pension Offset."

**For More Information**

Social Security publications and additional information, including information about exceptions to each provision, are available at [www.socialsecurity.gov](http://www.socialsecurity.gov). You may also call toll free 1-800-772-1213, or, for the deaf or hard of hearing, call the TTY number 1-800-325-0778, or contact your local Social Security office.

**I certify that I have received Form SSA-1945 that contains information about the possible effects of the Windfall Elimination Provision and the Government Pension Offset Provision on my potential future Social Security benefits.**
